

International Conference on Chemical Policy (ICCP 2018)

Korea Chemicals Management is hosting the 2018 Chemical Safety Korea, International Conference on Chemical Policy 2018, ICCP 2018 to enhance public awareness and expand the bases of chemicals safe management by providing the latest information on chemical management around the globe with speakers from competent authorities and company experts in the field.

2018 Chemical Safety Korea will be the for the necessary information on chemical management information, latest trends and counter measures on chemical management policy. KCMA also aims to provide a platform for highly interactive conference with presentations from policy managers in Korea, Japan, China, Chinese Taipei and Europe. Moreover, newest industrial trend focusing on "Newest technological trends for chemical accidents prevention-countermeasures and 'Smart factory' in preparation for 4th revolution." will be introduced.

Lastly, KCMA will arrange exhibition composed of chemical safety equipment-devices, household products, newest products, experiences and events so that it can be knowledge dissemination and information interaction forum. All interested chemical related companies, experts, government regulators and other relevant participants are invited to join this key networking opportunity and focused learning sessions.

1. Seminar Date & Venue

- Date : Oct 25th-26th, 2018 (2 days)
- Place : Millenium Seoul Hilton Hotel

2. Registration Fee

- Member : 600 USD

3. Registration

- Online Registration through www.kcma.or.kr/csk website.
- Contacts : (Tel.) +82-2-3019-6797, (e-mail) kcma_csk@kcma.or.kr

4. Venue and hotel accommodation

- Millenium Seoul Hilton
50, Sowol-Ro, Jung-Gu
Seoul, 04637
South Korea
Tel. +82-2-753-7788
Fax. +82-2-754-2510

To make a reservation at Millenium Seoul Hilton hotel at our special rate, please refer to the link below. Special rate will only apply for 21-Oct-2018 to 28-Oct-2018.

5. Program

| | Time | Subject | Topics | Speaker |
|-------|-----------------|--|---|-------------|
| Day 1 | 10:00~ 10:05 | Opening | Opening Remark | KCMA |
| | 10:05~ 10:10 | | Welcome Speech | MOE |
| | 10:10~ 10:20 | | Recognition(Chemical safety person of recognition) | MOE |
| | 10:30~ 11:10 | Domestic· Foreign Chemical Management Policies latest trends | (KR) ARECs latest trends | MOE |
| | 11:10~ 11:50 | | (JP) CSCL latest issues and trends | METI |
| | 11:50~ 12:30 | | (CN) New chemical management policies | MEP |
| | 12:30~ 14:00 | | Lunch | |
| | 14:00~ 14:40 | | (CT) TCSCA latest trends | TCSB |
| | 14:40~ 15:30 | | (EU) REACH implementation status and biocide latest trends | ECHA |
| | 15:30~ 16:20 | | (KR) Biocide enactment | MOE |
| | 16:20~ 16:40 | | coffee break | |
| | 16:40~ 17:20 | | (KR) CCA latest trends | MOE |
| | 17:20~ 18:00 | | (KR) OSHA latest trends | OSHA |
| Day 2 | 10:00~ 10:40 | Chemical accident responses Policies latest trends | Standards for hazardous substances handling facility and management method | NICS |
| | 10:40~ 11:20 | | PPE technologies and regulation | NICS |
| | 11:20~ 12:00 | | Chemical safety devices and technology application | Blue system |
| | 12:00~ 13:30 | | Lunch | |
| | 13:30~ 14:10 | Chemical industry driving the forth industrial revolution - smart factory | Methods for reducing risk on chemical accident - Plenge shield and application examples using water curtain and etc. | CSI |
| | 14:10~ 14:50 | | Chemical industry improvement directions using industry 4.0 | TBD |
| | 14:50~ 15:10 | | coffee break | |
| | 15:10~ 15:50 | | Digitalization in the chemical industry - implications on safety and security | TUV SUD |
| | 15:50~ 16:30 | | Chemical industry trends using AR/VR/MR | TBD |

※ The conference will be proceeded in English. English and Korean simultaneous translation will be provided

The agenda is subject to change
